### 3 Overview

IPL is a twenty 20 cricket tournament played by the cricket players from all over the world. BCCI is responsible for arranging and managing the IPL. The main purpose of designing the ipl was to bring out the change in the history of cricket patterns. The announcements of ipl was made by the BCCI. Every ipl team can have a maximum of 4 overseas players in a team of eleven squads. ipl team players don't have any local quota. Every ipl team must have at least 16 players. There is no limit of time for the game. Uses TV timeouts for their innings. A list players and under 19 players are welcomed to play the ipl and there is no restriction for other players too. There is a winning prize money also. After playing a series of matches, four teams will be qualified for the semi finals. In the end only one team will win the ipl claiming the trophy and set prize money. The prize money received will be equally distributed among all the players of the team. The prize money received will be equally distributed among all the players of the team. The winning team will get 200 million INR for winning the ipl. The first and second runner up teams will get around 125 million and 80 million INR respectively. Every team has a owners and have a training coach. IPL has the majority of fan following not just in india but all around the world. people wait for the yearly tournament and travel to enjoy the sport. people of all age groups watch ipl matches and enjoy them thoroughly. In 2022 ipl 2 new teams are entered. In the new team gujarat titans won the trophy. Talked about the most numbers of wins in ipl 2022. It was championed by GT who had the most number of wins in ipl 2022 which was 12. They finished at the top after the league stage with 10 wins and won 2 playoff matches. Talking about the most number of losses so it was two ipl giants mumbai indians and csk who shared the unwanted record. They both lost 10 matches. Team with the highest percentage is none other than the champions, GT who ended the tournament with a win percentage of 75 percentage. Orange cap holder was none other than rajasthan opener Jos Buttler who has had his best ipl season so far and not only for him but his form and performance were one of the best in the history of ipl. Jos made 863 runs in ipl 2022.

### 4 Conclusion

Finally the conclusion is the ipl also official known as TATA ipl for sponsorship reasons is a professional mens twenty 20 cricket league, contested by ten teams based out of seven indian cities and three indian states. The league was founded by the board of control for cricket in india . It is usually held between march and may of every year and has an exclusive window in the ICC future tours. The indian premier league has been a fantastic platform for the players to

showcase their skills and earn a name for themselves. The 2022 season proved to be another breakthrough year for the talented indian players.
